The 1953 Flashlight dedicatee has directed students of Abilene High for thirty-one years in performing on the stage of life. For her unceasing work in improving the citizens of tomorrow, we dedicate this, THE 1953 FLASHLIGHT, to MISS LUCRETIA CURRY.

# DEDICATION

## THE TEACHER—"THAT SOWER OF UNSEEN HARVESTS"

The FLASHLIGHT dedicatee of 1953 has planted the seeds of learning in thousands of students during the thirty-three years she has devotedly taught in Abilene High School. For thirty-three years, she has helped to nurture those seeds into mature, useful citizens of the community. Ex-Eagles who reminisce about their school days at Abilene High will remember the 1953 FLASHLIGHT dedicatee, MISS LUCRETIA CURRY, for her wisdom, her sweet disposition, and her sparkling sense of humor.

I am so glad you've got it, aren't you! C.I.

Dearest Linda:

Your smile has been an inspiration. You are brilliant and have worked efficiently at all times. I am happy to have had a small share in your school life. Best wishes for future happiness and success. Love

Lucretia Curry

Memory will recall the FRONT ENTRANCE to the minds of those who passed through its doors to prepare themselves for the drama of life.

# STAGE

Approving cheers of an Eagle performance echo from the galleries of the EAGLE'S NEST. Temperance, sportsmanship, and physical fitness are rehearsed by successful stars in the game of life.

Early morning sunbeams cast shadows on the EAST ENTRANCE where pre-school and noon scenes are enacted.

# SCENES

Cheers in the Globe Theatre could not have surpassed those heard in the EAGLE STADIUM where scores of fall scenes are performed.

A. E. WELLS, SUPERINTENDENT

Abilene, Texas

### Students:

The students of Abilene High School are to be commended for the wholesome spirit that has permeated throughout the student body this year and has manifested itself with each individual's work, whether it be classroom studies or student activities. This true "Eagle Spirit" will be a challenge to all future student bodies and should characterize the life of those who will not be back next year in helping them meet their future problems.

Our country today has entered upon the most perilous period in its history. At stake are the fundamental freedoms of our people, and peace. The youth of our nation offer our greatest hope for the proper solution to all these problems. The outcome will be determined finally by how well we bring to fruition our every resource of mind, of spirit, and of will.

CHARLES ROMINE, PRINCIPAL

Dear Eagles:

If you would have your life as you would like it, be ready!

Set your goals. Prepare yourself so that when opportunity comes, you are ready to grasp it. If you are prepared to accomplish your purpose, sooner or later, if you are alert, you will succeed.

Be your own driver. Be fair to the other fellow. Live up to your word. Keep your chin up!

My best personal wishes will follow you wherever you go.

Your friend,

*Chaz. Romine*

Dear Students:

Again it is a pleasure to congratulate you as a student body on your many achievements this school year. May those who depart look back with fondest memories; may those who return dedicate themselves to even greater achievements in the future.

You have been an ideal student body in your industry, friendliness, and co-operation. May I wish for you success and happiness.

Sincerely,

The underdog Eagles played heads-up ball to defeat the favored Yellowjackets of Arlington Heights. The Yellowjackets scored first when Buzz Kemble went around right end for 10 yards and the touchdown. Kemble's extra point try was good.

The Eagles took the kickoff and marched to a touchdown. Wendell Phillips scored just before the end of the half, but the extra-point kick was blocked.

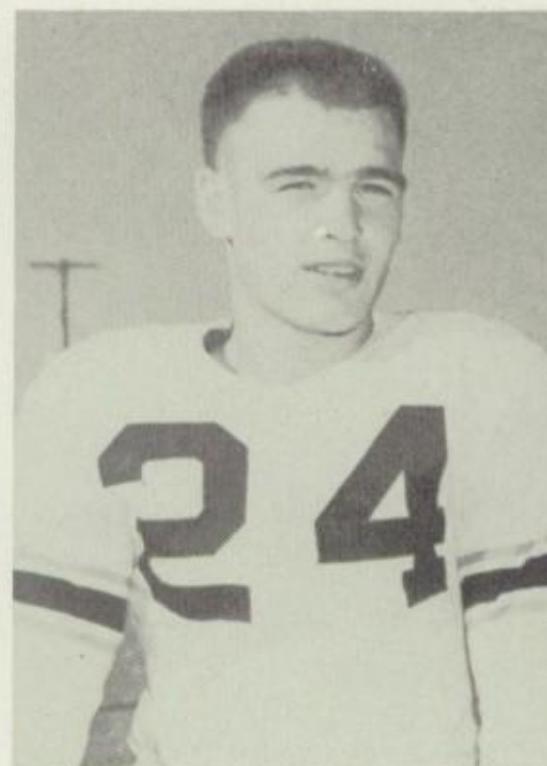

Early in the third quarter James Rose passed to Glenn Tallant for 32 yards and a touchdown. Overman's kick put the Eagles ahead 13-7. Minutes later an attempted Jacket punt was blocked, and Don Crowder recovered behind the goal line to give the Eagles six more points.

Later the Eagles blocked another punt, enabling Jerry Turner to run 13 yards for the final Eagle score. Overman kicked a good extra point; the Eagles led 26-7. Arlington Heights scored late in the game to make the final score 26-14.

## 13-12 WIN OVER BORGER OPENS DISTRICT PLAY FOR EAGLES

A perfect extra point kick by Hal McGlothlin was the difference between victory and a tie as the Eagles defeated the Bulldogs of Borger 13-12.

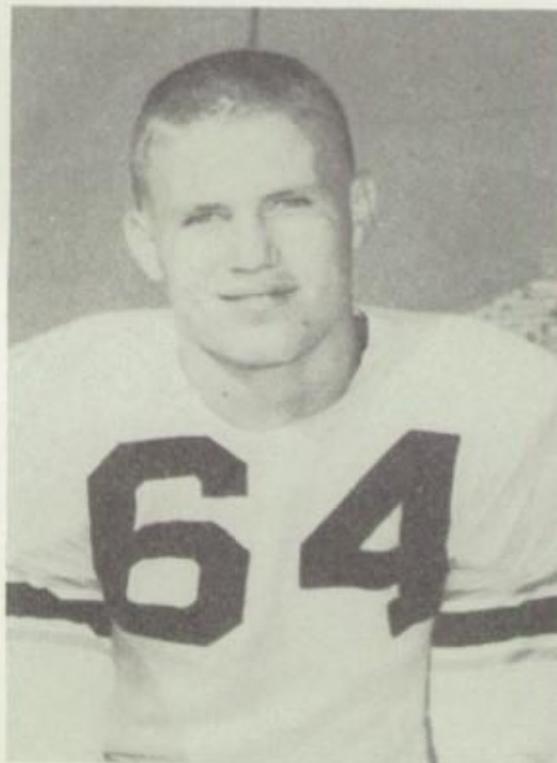

Fred Welch scored both touchdowns, the first on a 55-yard run, and the second on a two-yard plunge in the third quarter. McGlothlin's kick after the first touchdown was good, but the second kick was short.

Borger scored in the second quarter when Ward drove three yards to climax a 53-yard drive. The extra point try was blocked by the Eagle line. Whisenhunt scored the final Borger touchdown on a four-yard plunge. The important extra point try was wide, and the Eagles had their victory.

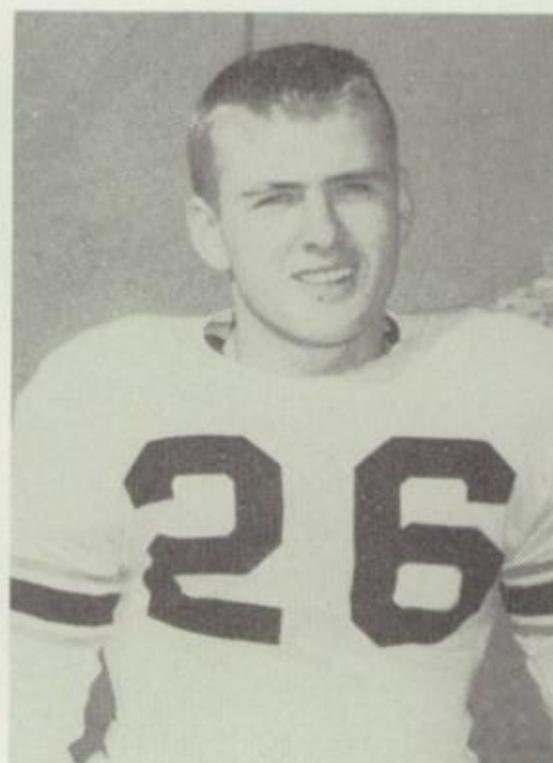

Winning their first game is the purpose of these Eagles as they come onto the field to meet Arlington Heights.

The Eagles were able to stop Pampa during the first half, but they weren't able to score themselves. Pampa scored late in the third quarter on a 36-yard pass. The extra point try was not good, leaving the score in Pampa's favor 6-0.

The Eagles scored when Oliver tackled the Pampa punter before he could get the kick away. From the 13-yard line Welch carried the ball down to the 7. Then Rose pitched out to Jimmy Millerman, who skirted right end for the touchdown. Oliver's kick was good, making the score 7-6, Eagles in the lead.

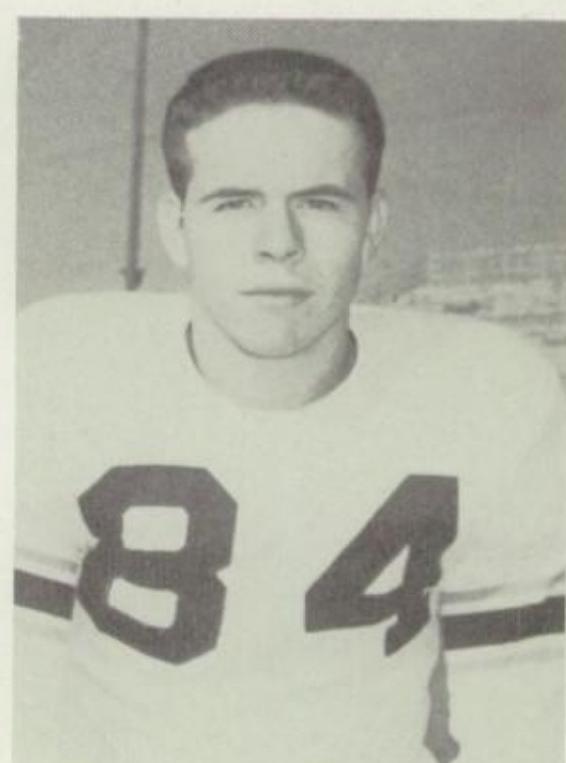

Pampa got the ball on their own 39. A series of passes moved the ball to the Eagle 4. Then a jump pass over the center of the line gave Pampa the victory.

## EAGLES DEFEATED BY ODESSA BRONCS 7-0

The Eagle defense, led by Jerry Turner, Bobby Jack Oliver, and Carroll Turner, stopped all the Bronco runners except Charlie Ward and Johnny Crain. It was passes by Carl Schlemeyer, however, that put the ball on the Eagle one. From there Crain drove over for the game's only score.

Odessa stopped the only real scoring drive by the Eagles on the Odessa 51. Fred Welch and Bill Vaughn were the big guns in the drive.

*After having said all this, I thought it would be nice to add a few words about the book itself.*  
It is not the fashion to see the lady the epilogue; but 'Tis I must make conclusion of these most strange events. This year we have sought to give you something new and different, with the hopes that when you open this book in later life, you will find yourself once again a student of dear ole AHS, doing and feeling the things you did and felt. Keeping the students' interests in mind, we have tried to compile the 1952-1953 FLASH-LIGHT As You Like It. We hope you do.

Dearest kinda —  
another year has passed!  
Another year to go — well this  
year has been swell really hasn't  
it? (Maybe) Gosh, orchestra  
(though rather strained sometimes)  
has been swell. you made it so.  
You putting up with my "love"
